Hello students!

Need a hand landing your dream job?

GRADUATION GETTING A BIT CLOSE FOR COMFORT?

If so, you're probably thinking about your first steps into the working world – and how to make sure it's you who gets that dream job. Well, the first thing you'll need are some tools to make yourself memorable – enter MOO!

How do you plan to stand out?

- MOO is an online printer offering a different image on every single card in a pack – always carry your portfolio in your pocket.
- Upload your own designs for unique Business Cards, or use ours, and include a mini CV on the back – perfect for job fairs.
- Stick a pack of MOO cards on the wall at your end of year show, and let prospective employers or clients take on (and call you!)
- Send a printed promotional package when applying for internships or jobs – stand out from the crowd with your cool personal branding.

Want to land your dream job?

Graduation is the culmination of years of hard work, so it's definitely your time to shine! MOO can help you make a great first impression with potential employers – check out our Business Card template which allows you to customise a mini-CV as your contact details.

Want to try us out? Great! We can:

- Offer students 20% off their entire order, visit moo.com/students for more details.
- Set up our free offer of branded University watermarked Business Cards – just email us at students@moo.com

Student testimonial

"Using a unique style of business card put me ahead of other candidates. My boss loved my business card when we first met, it was memorable, made her laugh and it's now on the wall in our office!"
